Sun, 08 Aug 2010 23:54:00 GMT <http://pdf.elperiodico.com/> - A sex position is a position of the body that an individual or couple people may use for sexual intercourse or other sexual activities. Sexual acts are generally described by the positions the participants adopt in order to perform those acts. Though sexual intercourse generally involves penetration of the body of one person by another, sex positions commonly involve penetrative or non ...

Wed, 05 Dec 2018 04:43:00 GMT Sex position - Wikipedia - Are some sexual positions better than others for conceiving? There's no evidence that any particular sexual position is more likely to lead to conception. You may have heard that some positions, such as the missionary position (man on top), are more promising than others because sperm is deposited closest to the cervix, but there aren't any scientific studies to back this up.
