GMT 3rd gen mods tips
tacoma pdf - Disclaimer:

Before the google Nazis
and search function crew
decide to load this with
links, yes I've done my
homework. No I don't care
about other threads on the
subject partially because
my little knowledge on
Tacomas thus far has shown
this is a new style headlight,
so we can all have a new
thread on the matter. Tue,

- Stipulations: 1. Be cool.

Don't get these files then
turn around and start selling
them (files or frame plates).

You can sell the frame
plates as part of your
complete sliders...but I will
ask that you post a link in
your for sale thread back to
this thread to give credit to
my hard work. DIY 3rd

World - And some close
ups of the Retainers, Skid
Control Rotor, and Bearing.

Still dirty, and full of gear
oil! All cleaned up!

You can check for play in
your bearings by grasping
the backing plate like I am
in the picture below and
moving it up and down.
