EXECUTIVE SUMMARY
Cloud computing is a new
way of delivering
computing resources, not a
new technology.
Computing services ranging
from data storage and
processing to software, such
as email handling, are now
available instantly,
commitment-free and
on-demand. Wed, 05 Dec

Risk Assessment and Cloud
Strategy Development -
The White Book of Cloud
Adoption is still available
and provides a
comprehensive overview of
the whole topic. But given
the ongoing questions, we
believe there is a need to
explore the specific issues
around cloud security in a
similarly comprehensive
fashion. This second book
in the series, The White
Book of Cloud Security, is
the result. THE WHITE
BOOK OF - Fujitsu -
