

# geometric theory of semilinear parabolic equations

Sat, 04 Aug 2018 15:15:00 GMT geometric theory of semilinear parabolic pdf - The Journal of Mathematical Analysis and Applications presents papers that treat mathematical analysis and its numerous applications. The journal emphasizes articles devoted to the mathematical treatment of questions arising in physics, chemistry, biology, and engineering, particularly those that stress analytical aspects and novel problems and their solutions. Fri, 07 Dec 2018 17:05:00 GMT Journal of Mathematical Analysis and Applications ... - The class of quasi-graphic matroids recently introduced by Geelen, Gerards, and Whittle generalises each of the classes of frame matroids and lifted-graphic matroids introduced earlier by Zaslavsky. Thu, 06 Dec 2018 20:26:00 GMT Mathematics authors/titles "new" - Abstract: We consider an attraction-repulsion chemotaxis model coupled with the Navier-Stokes system. This model describes the interaction between a type of cells (e.g., bacteria), which proliferate following a logistic law, and two chemical signals produced by the cells themselves that degraded at a constant rate. Fri, 07 Dec 2018 19:06:00 GMT American Institute of Mathematical Sciences - Type or paste a DOI name into the text box. Click Go.

Your browser will take you to a Web page (URL) associated with that DOI name. Send questions or comments to doi ... Resolve a DOI Name - Professor Jos  Antonio Carrillo Imperial College London (United Kingdom) Born in Granada, Spain, in 1969. He obtained a Ph. D. degree in Mathematics at Universidad de Granada in 1996 and he held assistant and associate professor positions there during 1992-1998 and 2000-2003. Eurasc - New Members - www.eurasc.org -
