

nephrology a photographic history 1840 1950 selections from the burns

nephrology a photographic history 1840 pdf - The Burns Archive is the world's largest private collection of early medical photography and historic photographs, housing over one million photographs. While it primarily contains images related to medical practises, it is also famous for photographs depicting 'the darker side of life'. Other themes prevalent throughout the collection involve death, crime, racism, and war. Burns Archive - Wikipedia -
