

## norsk grammatikk cappelen damm

norsk grammatikk cappelen damm pdf - The Kven language (kvenkieli or kväänin kieli; kainun kieli) is a Finnish dialect spoken in northern Norway by the Kven people. For political and historical reasons, it received the status of a minority language in 2005 within the framework of the European Charter for Regional or Minority Languages. Linguistically, however, it is seen as a mutually intelligible dialect of the Finnish ... Kven language - Wikipedia -
