I find myself thinking about it often. This is the second time I have read it, and I got even more out of it this time. The second half of "The Definitive Edition" is the book "The Seven Cosmic Laws". I thought that this one was boring. It repeats a lot of the concepts of "The Kybalion" but less eloquently and less developed. Wed, 21 Nov 2018 10:07:00 GMT The Kybalion: The Definitive
