Mon, 03 Dec 2018 16:12:00 GMT the self illusion how social pdf - Illusory superiority's relationship with self-esteem is uncertain. The theory that those with high self-esteem maintain this high level by rating themselves highly is not without meritâ€”studies involving non-depressed college students found that they thought they had more control over positive outcomes compared to their peers, even when controlling for performance. Mon, 03 Dec 2018 10:28:00 GMT Illusory superiority - Wikipedia - The introspection illusion is a cognitive bias in which people wrongly think they have direct insight into the origins of their mental states, while treating others' introspections as unreliable. In certain situations, this illusion leads people to make confident but false explanations of their own behaviour (called "causal theories") or inaccurate predictions of their future mental states.
