wildlife conservation wikipedia pdf - Major dangers to wildlife. Fewer natural wildlife habitat areas remain each year. Moreover, the habitat that remains has often been degraded to bear little resemblance to the wild areas which existed in the past. Wildlife conservation - Wikipedia - Wildlife Conservation Society (WCS) was founded in 1895 as the New York Zoological Society (NYZS) and currently works to conserve more than two million square miles of wild places around the world. The organization is led by President and CEO Cristián Samper, former Director of the Smithsonian Institution's National Museum of Natural History. Wildlife Conservation Society - Wikipedia -
